Sounds like a plan.

Also, I'm still on the lead call.

No problem at all! I'm planning to use today's call to make sure we're on the same page about our approach/process for tomorrow's Q&A session. So no worries if you miss it. I haven't yet reviewed Nina's comments, but I would suggest making changes after we receive CRW's response. We can flag that we have several changes that we intend to make when we meet with them next month and then roll those changes into the CD when we respond to their redline.

Thanks,
Devon

I may not make today's meeting after all. We issued an emergency SDWA Order last week to Clarksburg, WV, and management scheduled a meeting for 2p. I will get to our call asap. Sorry about that.
